IDENTIFIERS Nondegree Students; *South Dakota

ABSTRACT

This report details higher education enrollment in South Dakota colleges and universities as of the close of the second week of the 1991 spring term. The tables present data on headcount and full-time equivalent enrollment for public and private institutions; compare 1991 to 1990 figures; and provide data on various categories of students by individual institution. Enrollment is shown in the following ways: by undergraduate degree credits, for special and terminal students, for graduate students by institution, by resident versus non-resident, for resident degree-credit undergraduate students, for resident special/terminal students, for resident graduate students, through resident/non-resident comparison, for resident degree-credit undergraduate students, for resident special/terminal and graduate students, for nonresident degree-credit undergraduate students, for nonresident special/terminal students, for nonresident graduate students, for nonresident degree-credit undergraduate students, and for nonresident special/terminal and graduate students. Resident and nonresident summaries are provided as well, and distribution by undergraduate and graduate categories, new registrants (headcount and full-time equivalent enrollment), student age distribution, student ethnic origin, enrollment by gender, plans of South Dakota high school graduates, and a spring/fall semester comparison summary are also given. The document also contains a list of South Dakota institutions of higher education, and includes historical notes on the evolution of the data collection process since 1973. (JB)

Public and Private Headcount Enrollment Graph - Spring 1973-1991 V
Public FTE Enrollment - Spring 1973-1991 VI

Historical Notes

1) National College began reporting enrollments in Fall 1973.
2) Prior to Fall 1980, 16 undergraduate credit hours per semester equaled one FTE.
3) Prior to Fall 1982, 9 credit hours at the Doctor's level constituted one FTE.
4) The University of South Dakota at Springfield closed at the end of the 1984 Spring semester.
5) Prior to Fall 1984, a standardized definition for Residency Status and Geographic Origin was not in use. The NCES definitions were adopted in Fall 1984.
6) Both Oglala Lakota and Sinte Gleska began reporting enrollments in Fall 1984.
7) Yankton College closed at the end of the 1984 Fall semester.
8) Kilian Community College began reporting enrollments in Fall 1985.
9) Freeman Junior College closed at the end of the 1986 Spring semester.
10) Prior to Fall 1987, enrollments were reported as of the close of the third week of the semester.
11) Prior to Fall 1987, Graduate Business Program enrollments at Ellsworth AFB were included with USD's enrollments.
12) Prior to Fall 1988, SDSMT's enrollments included some non-state funded courses offered on-campus.
13) Prior to Fall 1988, Kilian Community College considered 12 quarter credit hours per quarter as a full-time student. Kilian changed from a three to a four quarter system and now considers 16 quarter credit hours as one FTE.

Definitions

Student - All students taking resident credit, irrespective of the time of day or work load of the student. Not included are:

(A) Students in non-credit adult education courses.
(B) Students taking courses at home by mail, radio or television.
(C) Students enrolled only for "short courses."
(D) Students auditing a course.
(E) Students studying abroad.
(F) Students in a branch campus, extension or correspondence course.

Special/Unclassified Students - Students taking undergraduate or post baccalaureate level credit courses regardless of intention concerning a degree, diploma or certificate although taking course in regular classes with other students; this category also includes students who cannot be classified by academic level.

Undergraduate Students - Students who have not completed a full four year program or its equivalent and those in a five year bachelor's degree program. The year level designation of undergraduate students will be determined by institutional policy.

First Professional Students - Students enrolled in a professional school or program which requires at least two or more academic years of college work for entrance and a total of at least six years for a degree. Students in programs requiring only four or five years beyond high school should be reported as undergraduates.

Graduate Students - Students who hold a bachelor's or first professional degree, or equivalent, and are candidates for a Master's or higher degree.

Residency Status - A determination as to whether a person is legally a resident or nonresident of a specific geographic area. (NCES) In South Dakota a resident student must be a legal domiciliary of the state for at least 12 months prior to registration.

Credit Hour - The unit by which an institution measures its course work and which can be applied towards a degree. For public institutions one credit hour equals one contact hour per week in a lecture situation for a normal 15-week semester.

Special Note for Schools on the 4-1-4 Plan - Institutions under the 4-1-4 plan will have converted "unit" or "course" credits to "semester hour" credits for the purposes of this report. A "unit" or "course" quite often is determined to equal 3.6 "semester hours." The figures that are normally used in transferring credit between institutions apply. Some institutions have confirmed registrations for the one-month interim period, obtained during the Fall registration period. Other institutions register only for the four-month Fall term. As an example, those institutions registering students for the four-month term plus the one-month interim term might have a 15 "semester hour" equivalent of perhaps 18 "unit" or "course hours." Those institutions registering students for the four-month period only might have the equivalent of 14.4 "unit" or "credit hours" to equal 15 "semester hours." The basis the institutions provide for computing FTE's as reflecting the most correct portrayal of enrollment status is used. Oglala Lakota and Sinte Gleska Colleges consider 12 credit hours per semester as a full-time student.

Public Institution Full-time Equivalent Student - The total credit hours of all students registered divided by one of the following denominators to determine full-time equivalent enrollment at a given level.

(A)	Freshman	15
(B)	Sophomore	15
(C)	Junior	15
(D)	Senior	15
(E)	Special/Unclassified Undergraduate	15
(F)	Terminal (Vocational-Technical)	15
(G)	Master's	12
(H)	Doctor's	12
(I)	Unclassified/Graduate	12
(J)	Law	15
(K)	Medicine	19

Geographic Origin - An indication of the place where the student resided, as determined by the student's legal address, at the time of application for admission to the institution. The determination of a student's geographic origin may be made at the time of the student's application for undergraduate status, or for a first professional program, or for graduate student status.
